

Instructions for Duos Flash Cards

The Flash Cards are intended to promote conversation. They do not have the names on the front so they can be used in activities.

Activity one

Show the picture and use the prompts/Information on the back of the flash card to stimulate engagement. When prompting start off the words and allow people to finish

For example...

When asking what comedy duos there are say the first part

Morecombe and

Then follow with any conversation sparks that occur.

Activity two

Place the cards picture side up and match them into relevant pairs.

The prompts on the back are not complete lists but guides!
